Welcome to Graduate Fellowship Services in the Office of Graduate Studies at UT Dallas. We help students identify fellowships that match their backgrounds and career goals. Specifically, we:

- provide individual advising, workshops, events, and online resources to help students navigate the search and application process,
- assist students through application processes by offering individual feedback, resources, and advice to support students in developing competitive applications, and
- collaborate with faculty and staff to identify and support potential applicants.

Distinguished Fellowships Advisor Beth Keithly can be contacted at keithly@utdallas.edu.
