TRAINING AND EXPERIENCE IN A WORK SECTOR
3 courses + 50 hours of volunteer or work experience in that same sector.

Verification of competence completion: Confirmation of 3 approved courses.

50 hours (volunteer or work experience):
- Signed and dated Volunteer/Work Experience in a Work Sector verification form from the sponsor organization describing your experience and accomplishments in a specific work sector and the number of hours dedicated to each activity.
- Two-page essay describing how the training and experience will help you to be a better professional in the specific work sector.

The student will be able to synthesize the knowledge and experience acquired to understand its application in the work sector of his/her choice.

PROFESSIONAL AND LEADERSHIP DEVELOPMENT
Resume and interview support + leadership experience.

Verification of competence completion:
Resume: Signed and dated Professional Development verification form from Career Center.

Workshop or class: Signed and dated Professional Development verification form from Career Center.

Significant leadership experience:
- Signed and dated leadership development verification form from the sponsor organization describing the leadership role you have performed, the accomplishments and the number of hours dedicated to the activity.
- Two-page essay describing the development of your leadership skill and the impact it will have on your future professional life.

The student will be able to synthesize the knowledge and experience acquired to understand its application for his/her future professional life.
INTERCULTURAL COMPETENCE
3 approved courses or 1-2 courses + substantive intercultural experience.

Verification of competence completion:
Confirmation of 1 to 3 approved intercultural courses.

Significant intercultural experience:
• Signed and dated Intercultural Experience verification form from the sponsor organization(s) describing the type of intercultural experience you had and the number of hours/days/months dedicated to the activity.
• Two-page essay describing how your intercultural competence was improved.

The student will be able to synthesize the knowledge and experience acquired to understand its application while interacting with people from other cultures.

FOREIGN LANGUAGE SKILLS
Requirements vary by language.

Verification of competence completion:
Confirmation of approved courses:
Transcript or signed and dated form from the sponsor organization for language acquisition.

The student will be able to speak and write a second language at an intermediate level.
