Important Information:

2. Each ticket barcode is linked to a specific student when claimed. If you claim your tickets on behalf of another student (i.e. your friend or classmate), and those tickets are scanned at the Commencement Ceremony, our records will indicate that YOU have attended the ceremony and may prevent you from attending any future ceremonies.

Visit the [Graduation and Commencement Website](#) for additional Information.
3. Be sure your printer ink is switched to full. Your guest tickets will not scan at the venue if the ink setting is set to low.

If you are still having problems collecting your tickets, please contact graduation@utdallas.edu.
