For COMPASS, ASSET, MAPS, and ACCUPLACER tests, enter the single-digit writing essay score, not the writing objective score. Since the writing essay score is a single digit, enter leading zeros. Enter ‘000’ if the item is not applicable or null.

The essay and the objective components of the COMPASS, ASSET, MAPS, and ACCUPLACER test instruments are to be taken at the same time for TSI purposes (even though the tests are designed such that an institution may assess them independently). So a value of zero in Items 33A/34A will be allowed when Item 33B/34B are reported with a value of 2, “Failed below the deviation”. The essay component is the primary determinant for the value reported in Items 33A and 34A—above 5 is passing and below 5 is failing. The objective portion is only used to determine if a 5 is passing or failing. Therefore, if the objective component has been taken, but the essay portion has not, report zeros in Item 33A/34A, the date of the objective component in Item 33C/34C, and a 2 in Item 33B/34B. If neither the writing objective or the writing essay section have been attempted, report a 3, “Not Attempted”, in Item 33B and an 8, “Student allowed to enroll but did not test during the reporting period”, in 33D, and zeros in Items 33A and 33C.
