

**The University of Texas System  
International General Third Party/Public Liability Coverage  
for Students on UT Programming**

General Coverage Description:

The University of Texas System International General Third Party/Public Liability insurance provides coverage for a UT student when s/he commits an accidental (not expected or intended) negligent act that results in bodily injury or property damage to a third party. Coverage will not result in financial compensation to the UT student, rather if warranted, to the third party. Coverage benefits to the UT student will manifest in the form of defense assistance as warranted under the General Third Party/Public Liability Insurance policy.

Coverage does not apply:

- While the student is travelling inside the United States.
- If the student consented to assume liability in a contract or an agreement (example rental car or property contracts).
- When the student is under the influence of alcohol or distributing alcohol.
- When the student is controlling a motorcycle, motorized scooter, automobile, watercraft, aircraft, or any other mobile equipment.
