Parliamentary Procedure Basics

To ask a question (not needed during discussion) - "Point of Information: [state question]"

To make a motion - "I move to [exact wording of motion]." (Most motions coming from an individual must be seconded by another individual simply saying "Second")

To end debate and move directly into a vote on the motion - "Call to question." (Generally, the chair will ask if there is any further discussion. If there is not, she will present the motion at hand to be voted on. The motion is typically used when there is still debate to be had but a person feels it is unnecessary. It is voted on.) To ask a question about Parliamentary Procedure – "Point of Parliamentary Procedure (or ParliPro)"
