Please contact the Women’s Center if you have any suggestions for guest speakers this year.

**Faculty Senate:** Dr. Leaf reported that the important business at hand is the nomination of the three faculty members will serve on the selection committee for the new President.

**New Business:**

**Suggestion 2004-001-S** was presented by Ms. Goertzen. Why wasn’t HR’s People Admin. Training provided to all the employees that are responsible for completing paperwork for hiring?
When a new system or process is implemented the standard procedure should include across the board training of all users of the system or process.

A motion was made and seconded for the Chair to forward this suggestion to Larry Wilson, Director of Human Resources.

**Suggestion 2004-002-S**

Critical “Liaison Training” sessions this past year were scheduled on budget deadline dates and at year end closing making it impossible to attend. Can we request that HR coordinate its training schedules after consulting with Budget and or Financial Reporting as to these critical dates? Also, if the training classes are to educate the Liaison’s as to new programs that are being implemented, several sessions should be offered to accommodate the staff that needs the training.

A motion was made and seconded for the Chair to forward this suggestion to Larry Wilson, Director of Human Resources.

**Ad hoc Committee to review guidelines/districts**

Ms. Goertzen recommended that an ad hoc committee be formed to address the current Staff Council districts and guidelines. The School of Management’s move has started a domino effect of department moves on campus changing the population represented in certain districts. This committee’s task would be to look at each district and recommend any changes and establish guidelines for future use. This committee’s recommendations will need to be sent to the Executive Committee by the first of December so the Staff Council can review and implement any changes before the February elections. The members that volunteered to serve on this committee are, Carol Lanham, Roberta Green, Rochelle Pena, Mary Margaret Echevarria and Peggy Attari. Ms. Goertezn asked Ms. Attari to call the first meeting and at that time determine a Chair for the committee.

**UTD Homecoming**

The Homecoming Parade is scheduled for Saturday November 1st. This year’s theme is “Comet Fest” building on tradition. General discussion about Staff Council’s role in the parade followed. Kent Mecklenburg agreed to work with staff that was interested in participating. A motion was made that an ad hoc committee be formed to work on a float for Homecoming and that they be given up to two hundred dollars to cover expenses. The motion was seconded and was approved.

**District Coffees**

Ms. Goertzen reported that the districts coffees with the President were determined by a drawing to arrange a scheduling order. The first district to have coffee with the President
is district six, scheduled for October 23, 2003. The remainder of the coffees with the President will be scheduled in this order, district 3, district 1, district 4, district 5 and district 2. Calendar dates for these events will be determined later.

**Name Tags**

Ms. Baxter presented a style of name tag with a magnetic fastener that was furnished by a local vendor. The recommendation for the wording on the name tag would be The University of Texas at Dallas, Staff Council and the individual’s name. The cost would be about $5.25 per name tag and could be ordered in time for Fall Forum. A motion was made to spend no more that $200.00 on the initial order and to furnish new Staff Council members with name tags as needed on a continuing basis.

**Flu shots**

Mr. Maldonado reported that the Staff Council will sponsor staff flu shots again this year. The dates for these shots are November 11th from 10:00 am-12:00 pm and November 12th from 2:00pm until 4:00pm in the Multipurpose Building, AD 3.104. The cost of the shot is $10.00 and volunteers are needed for both days. David Maldonado is the contact.

**CARE Awards**

CARE Award posters and flyers need to be distributed after the meeting. The deadline for nominations is Friday October 31st. The signs were also ready for the representatives to place on campus.

**Presidential Search Committee**

Ms. Goertzen reported that the Executive Committee had met to discuss the process of electing a staff representative to participate on the Advisory Committee in search of President Jenifer’s successor. Service on this committee will require a substantial commitment of time. Confidentiality in regards to the names of the candidates will be absolutely crucial up to the last 21 days, when they must by law become public. The representative elected to this committee will be the staff’s voice and must be an effective communicator. The Executive Committee’s recommendation is that this representative be nominated by Staff Council Representatives but that this person does not have to be currently serving on Staff Council.

After discussion, a motion was made and seconded to accept the Executive Committee’s recommendation. The motion passed.
With such a short time to select this representative, the Executive Committee has agreed that the names of the nominees along with a brief description in paragraph form be sent to Executive Committee. The Executive Committee will then select the top three candidates and send this list to the Staff Council for a vote. This is a short turn around, but it is necessary due to the time constraints we have for submitting our employee’s name to Vice Chancellor Sullivan. The e-mail ballot will be sent out on Wednesday, October 15th and will have to be returned to Ms. Goertzen by the 20th via e-mail.

**Other Business:**
The date for Staff Service Awards has been moved from November 6th to sometime in January.

The Police need help in catching the person (s) responsible for the numerous cases of vandalism to cars on campus. Please be vigilant in reporting any suspicious behavior on campus.

The newly approved revised operating guidelines of the Staff Council were distributed to all Staff Council members.

There being no other business, the meeting adjourned.

Respectfully submitted,
