6. **OLD BUSINESS:**
   a) **CARE Awards:** Mr. Dickson announced the Fall winners were Bill Conoley, Nancy Lozano, Sherry Marek, Kent Mecklenburg, Randi Mogul, Lori Skillestad.
   b) **Child Care Proposal:** Ms. Long reported that Dr. Spector is trying to schedule a meeting with President Daniel to submit the committee’s proposal.
   c) **Community Clean-up Project:** Mr. Dickson is still waiting on Ben Dower, President of Student Government so get back with him on this project.
   d) **Ombudsperson:** Mr. Dickson reported that there is talk of bringing in a consultant company to help with the guidelines for this position. The committee has been chosen but due to Dr. Nelsen being busy with SACS a meeting has not been scheduled at this point. Dr. Leaf will be sending out information that he has put together to the committee members.
   e) **Operational Guidelines Change Status:** Mr. Dickson reported that the policy changes that were requested had been approved by System. That means that his position is now the President of Staff Council and Mr. Calhoun’s position is now Vice President instead of Chair and Vice Chair. This also means that vacancy position on Staff Council can be appointed without an election process.
   f) **Old Suggestions:**
      i) 2008-007-S: Staff Council Banner - This suggestion was rejected by ExCom members. It was recommended that the suggestion be closed. A motion was made by Mr. Calhoun to close this suggestion and was seconded by Ms. Brown. The motion carried with one no vote.
      ii) 2008-008-S: Staff Council Shirts - Ms. Kirkwood-Brown reported the following information

         **K469**-men’s version $21.98 each prior to embroidery
         **L469**-ladies version $21.98 each prior to embroidery

         **K448**-men’s version $19.98 each prior to embroidery
         **L448**-ladies version $19.98 each prior to embroidery

         Just go to this website [www.sanmar.com](http://www.sanmar.com) and you will see a search box on the left where you simply enter the item number.

         I’d also like to suggest that you take a look at the **K455** and **L455** in Papaya, as well as in green. The papaya is a great shade of orange (not bright pumpkin orange) and has been ordered and very well received by several departments since it came out last year. They also offer three different shades of green in this style. They run $25.98 each before the embroidery.

         Additionally, I sent your logo to our embroiderer and have just heard back from him with the specific pricing. It would be a one time set up “tape charge” of $75.00 and each shirt would run $4.75 each if embroidered all in one color. If you decided you want to do the UTD
logo, filled in using two colors of thread (obviously white and orange) and the rest in white, it would be $5.00 per shirt. I would recommend the later for only .25 more each. They would really look sharp and the UTD would “pop” so to speak, (I just did some for Enrollment Services and the logo looks much better in two colors and filled in. It would run around $1,500 - $1,600 for fifty shirts for current members. These shirts could be worn to Staff Council function or possibly one day month on a Staff Council shirt day. Ms. Kirkwood-Brown will get samples to bring to the next meetings.

A motion was made by Ms. Crossley to table this suggestion until the next meeting and was seconded by Ms. Boyer.

A motion was made to extend the meeting about 30 minutes by Ms. Maute and seconded by Ms. Boyer. The motion carried.

7. **NEW BUSINESS:**

   a) New Suggestions:

   i. 2007-010-S: WSTC Dart Bus Routes - A recommendation was made to forward this to the Parking and Transportation Committee.

   A motion was made by Ms. Losavio to accept this recommendation and was seconded by Mr. Shedd. The motion carried.

   ii) 2008-011-S: Staff Gym Memberships – Ms. Losavio stated that Recreational Sports has to raise funds and that the Activity Center is a student facility and that students have to pay then it is not feasible that staff memberships would be given away free. UTD is a student driven campus. A suggestion was made that possibly that memberships could be paid at the department level or maybe there could be some discount rates for staff and faculty.

   A motion was made to send this suggestion to the Benefits Committee by Mr. Lee and seconded by Ms. Skillestad. The motion carried.

   a. 2008-012-S: Staff Sam’s Memberships – The consciences was that this suggestion is illegal therefore a recommendation was made to send a letter to the suggestor stating that fact and then close the suggestion.

   A motion was made to close this suggestion by Mr. Shedd and seconded by Ms. Boyer. The motion carried.

   iv. 2008-013-S: National Cancer Survivor’s Day – Mr. Dickson turned the floor over to Mr. Janke to explain his adventure. He needs a UTD Sponsor so that he can hold a two - three day event and he needs a
couple of volunteers to help with the organization of the event. The event would be the 1st Sunday in June which is National Cancer Survivor Day. He is looking to have a Kick-off party that Friday, then a Car Show that Saturday and a music concert that Sunday. He is not looking for monetary sponsorship he is just looking for a group sponsor so that he can hold the event on the UTD Campus. All proceeds would go toward cancer survivor organizations.

A motion was made to send this back to ExCom for more information and then it will be represented to the Staff Council by Ms. Minnish and seconded by Mr. Shedd. The motion carried.

v. 2008-014-S: Staff Junk Mail – A motion was made to forward this suggestion to Jim Gary, VP & Chief Information Officer for Information Resources by Ms. Boyer and seconded by Ms. Caplinger. The motion carried.

vi. 2008-015-S: Staff Discounts to local restaurants – Ms. Megan Malone, Staff Council’s student liaison reported that there is a list of vendors that give UTD students/staff/faculty discounts on the Student website. Ms. Malone also reported that there are people working on adding new vendors all the time. She will send the list to Mr. Dickson and he will forward it to the Staff Council members.

A motion to close this suggestion was made by Mr. Lee and seconded by Ms. Losavio. The motion carried.

vii) 2008-016-S: Handicap parking during events – A motion was made to forward this suggestion to Chief Ridge and to Steve Bettley, Parking Manager by Ms. Murry and seconded by Mr. Calhoun. The motion carried.

b) Resolution for Emergency Management Evacuation Signs – Mr. Dickson passed the new signs around for comments so that he could get information for the resolution to give to Ms. Miller, Emergency Management Coordinator. Some of the comments were that it’s hard to see, if you have a sight handicap you can’t read it, it’s too small, the red isn’t bright enough and it should be in neon glow in the dark print.

c) Budget Expenditures – Mr. Dickson outlined the expenses as referenced below for Staff Council approval:

i) Bookmarks $127.50
ii) Meet-n-Greet 581.50
iii) V-day Balloons 381.50
iv. SC Red Aprons 54.90
v. Survey Monkey 359.40
Grand Total $1,504.30
A motion to approve these expenditures was made by Mr. Calhoun and seconded by Ms. Jacqueline Long. The motion carried.

d) Floor nominations for open Staff Council Positions – Mr. Dickson wanted to make sure first that everyone was aware that by President Daniel’s policy that each department supervisor/manager is required to give each staff member six hours a month to contribute to Staff Council.

There are two positions that currently need to be appointed one in district 5 and one in district 7. Mr. Dickson requested that since there were no nominations made from the floor that if anyone had anyone in mind to email them to him as soon as possible so that these positions could be filled by next months meeting.

8. OTHER BUSINESS
   a) Suggestions/Proposals from the floor:
      i) 2008-017-S Staff/Faculty Health Center – There are a lot of staff and faculty that complain that they can’t be treated at the Student Health Center. Why can’t there be a minute clinic or something of that nature on campus for staff and faculty? This could be setup maybe in the Women’s Center or some place like that.

         A motion was made to forward this suggestion to the Benefits and Wellness Committees by Ms. McClain and seconded by Ms. Cantu. The motion carried.

   b) The next meeting will be Wednesday, March 12th at 9:00 a.m.

9. ADJOURNMENT:

         Ms. Boyer made a motion to adjourn the meeting. Ms. McClain seconded the motion. The meeting was adjourned.

Respectfully Submitted
