He also spoke about the Legislative session. There were 6,300 bills filed and 1900 of those were of interest to the U. T. System. Those of very high interest totaled 366. The first draft of the budget is due 6/25. Although called the first draft, it will be the only budget submitted by UTD.

4.) APPROVAL OF APRIL 11, 2007 MINUTES:

A couple of editorial changes and typos were recommended. A motion was made by Daniel Calhoun and seconded by Gayle Holt to approve the amended minutes. The motion passed.
5.) COMMITTEE REPORTS:

a.) Executive Committee:
   The Executive Committee met on April 4, 2007. Mr. Dickson gave a brief report of
   the Executive Committee saying that the majority of the discussion was about the
   agenda today.

b.) Staff Council Attendance Report:
   Mr. Mecklenburg was not in attendance to give a report on attendance.

c.) Secretary/Treasurer's Report:
   Rochelle Pena gave the treasurer's report which indicated a balance in 316142 of
   $1,633.60 and in 317807, a balance of $288 and a balance in the scholarship account
   525528 of $4,847.07. The new endowment account was credited with $146.93
   which is our first interest payment.

   Coffee with the President:

   The next coffee will be June 22nd with Districts 3 and 4.

d.) Benefits Committee:

   Daniel Calhoun reported that the Benefits Committee had met and they discussed the
   committee that is working on a joint day care proposal for UTD. This report is due
   by September. There are basically two options that are being discussed; one is that it
   be operated by the University, the other option is that it would be operated by some
   outside source.

   The scholarship application has been revised and it’s on the agenda for discussion.

e.) Communications Committee:

   Mike Griego reported that Paul Oelkrug was elected secretary. Mike has put
   Contribute on his computer, and he has made minor updates to the web site. The
   next issue of the SUN will be out the first part of June and will have the election
   results in it.

f.) Staff Development Committee:

   Pat McEachern reported that her committee had met and discussed the mentoring
   program. They are focusing on two functions: training and support & help. They
   have researched web sites and the U. T. Austin’s web page has a page for new
   employees, a one stop shopping that is very helpful.
They also discussed a self evaluation form, possibly quarterly, so the staff member can be proactive in their once a year review.

The ad hoc committee to look at the HR new employee orientation issue has been meeting with Diana Willis as Chair. They are talking about some interview questions to the new employees that have participated in the orientation to see what has been learned. They are also talking about including a campus tour in connection with the orientation.

The committee feels that information given at Orientation is not a very good description of the Staff Council and is very vague.

g.) Fund Raising Committee:

Rochelle Pena asked Patsy Aguilera, who chaired the Begonia sale to give a report. They made $144 from this sale.

The cartridges will be picked up next week by the recycling company.

h.) Wellness Committee:

Gayle Holt reported that this committee had met and talked about the suggestion 2007-020 regarding sponsoring blood drives on campus. The committee decided that they didn’t feel that the Staff Council should help sponsor the drives, but we could help advertise it. They will be submitting an official response by the next meeting.

The committee also discussed their charge and some changes will be recommended but has been put on hold for now.

The committee is also going to encourage the Activities Center to make more classes available and advertised for staff members.

The Relay for Life was postponed due to bad weather. It took place on Friday, April 20th from 6 – 10 in the gym. It was fun and had a great participation. UTD’s Wellness Team was the top fund raiser.

i.) Faculty Senate:

Dr. Leaf reported on the discussions in the Senate regarding the recommended changes to Chapter 49 in the Handbook of Operating Procedures relating to disciplinary problems regarding students, disruptive behavior and conduct. He reported that Donna Rogers, the Dean of Students thinks that it may not be consistent with FERPA. She is checking into that.
Dr. Leaf reported that the Senate members felt that people have to talk together to hear about students with problems, etc. The Counseling Center cannot talk about students and their problems, but faculty and staff can talk about problems they are having with students so that problems like the situation in Virginia will not happen on our campus.

j.) Vice President for Business Affairs Search:

Airport interviews will be concluded by May 18th. Then the on campus interviews will be held.

k.) UT System Employee Advisory Council (EAC):

n.) University Committees:

i. Parking and Security Committee: No meeting.

ii. Campus Facilities Committee: Ms. Goertzen reported on the meeting. They are planning to be an active committee and are concerned about the long term consequences of the new buildings on campus. There is no funding dedicated to upkeep of the new buildings. Dr. Leaf chairs the committee, and he is working on a matrix for the use of the committee. The committee is also going to request that a web site be established for all projects on campus so that faculty and staff can keep up to date with the progress.

It was the recommendation of the Executive Committee to appoint Daniel Calhoun to replace Lynn Hovatter on this committee. Jackie Long made the motion to approve this suggestion and Judy Patterson seconded it. The motion passed.

iii. University Safety & Security Council: There was no report this month.
