 - Lev Gelb
- Greetings
 - Everyone met in front of the Green Hall building next to the loading docks.
 - Everyone introduced themselves and an overview of the tour was provided.
- Minutes Approval
 - There were no objections or recommended changes to the minutes.
 - Minutes were approved.
- Facilities Management/Sustainability Office
 - Campus Green Tour
 - The committee participated in a campus green tour.
 - Three golf carts were utilized to transport the committee to different sites on-campus. This includes FM, the Monarch Waystation and the Community Garden.
 - The committee meeting took place at the Monarch Waystation near the gazebo.
 - This was an opportunity to become familiar with Facilities Management and various “Green” sites on-campus.
 - Sustainability Website Update
 - The recycling locations now include the glass bottle recycling for labs.
 - The green campus map has been updated to include car charging stations.
 - <http://www.utdallas.edu/sustainability/>
 - Eco-Rep Program
 - Fred Traylor provided updates on current and upcoming Eco-Rep events, activities and projects.
 - This includes Earth Week and video projects.
 - Please see below link for one of two current video projects.

 - RecycleMania
 - RecycleMania ended on April 1st.
 - Final results will be coming soon.
 - Earth Week Planning
 - The Earth Week schedule is now available. Please see below link.
 - <http://www.utdallas.edu/volunteer/earthweek/>
 - SSA Recycling

- The Sustainability Office and Eco Reps are meeting with SU and SSA operations management team to discuss recycling opportunities this week.
- Earth Week
 - Earth Week will take place from April 17 – 21
 - The Eco-Reps will be hosting events and activities. Please see the Earth Week schedule.
 - Bee Hives will be installed near the Monarch Waystation site during Earth Week.
 - Hundreds of Milkweed will be planted during the Monarch Waystation Butterfly Flutterby event during Earth Week.
- Discussion
 - The Faculty Sustainability Research Panel will be taking place on April 18th.
 - Featuring Drs. Goodman, Rippell, Taylor & Cummings
 - TI Auditorium, ECS South 2.102
 - From 6 to 7:30 PM
 - The Student Government will be doing the Green Initiative this year.
 - SG is seeking staff and faculty involvement.
 - A meeting has been organized regarding the opportunity to acquire insight into the benefits and potential costs of a food waste dehydrator.
 - The meeting will take place during Earth Week. Please see below link for more information on the product.
 - Doug will be meeting with the Provost soon to discuss sustainability initiatives.
- End Time: 4:05 PM
